

The TSB Experience

Dear Future Salon Pro,

We're so excited that you're interested in Tennessee School of Beauty (TSB)! If you're searching for a career that fits your personality, fuels your creativity, and actually excites you, you're in the right place.

Taking this first step toward a career in beauty is a big deal—and we're here to help guide you every step of the way. No matter where you are in life, TSB has a path that aligns with your goals, whether you're dreaming of becoming a stylist, makeup artist, esthetician, or even a salon owner.

TSB grads are always in high demand. More than 1,500 of our alumni have gone on to own their own salons, and with our partnership with Redken (with over 175,000 salons worldwide!), opportunities for our graduates are bigger than ever—both locally and nationally.

Since 1930, TSB has led the way in cosmetology education. We're not part of a franchise, we don't own salons or push products—our sole focus is on giving you the best education possible. **That's why we've pioneered advancements like:**

- First beauty school in the U.S. to offer online testing
- First in Tennessee to provide Medical Esthetics education
- First stand-alone satellite Make-up Designory (MUD) Partner School for elite training
- Cutting-edge AI virtual assistant for student and client support
- A dedicated Continuing Education Center to keep our graduates ahead of the trends
- NEW expanded Cosmetology classroom space for 2025
- First Make-Up Designory Studio in the United States

Fun fact: *Every other beauty school in the area has at least one TSB graduate teaching their students!*

We'd love to help you take the next step toward a future in beauty.
If you have any questions, need more info, or are ready to start your journey, reach out anytime—We'd love to chat!

Looking forward to seeing you at TSB and helping you build a career you love!

Sincerely,

Adam Brown

We personally invite
you to take a tour &
see firsthand the
TSB Experience.

What is the TSB Experience?

It's knowing that you're attending a school that has graduated generations of beauty professionals. *Since 1930, TSB has been the premier choice for an education in the beauty industry.*

It's knowing that five generations of the Brown family have run the school since 1930. *Beauty is in our DNA.*

It's knowing that more than 1,500 TSB grads have gone on to open their own salons thanks to their TSB experience. It's our grads coming back to give demonstrations for our students on the latest techniques and tips.

It's knowing that TSB works hard to stay at the forefront of our industry. We were the first beauty school in the nation to offer online testing. We're a Redken Premier School which offers exclusive benefits for our students. We were the first stand-alone satellite school for MUD (Make-up Designory), where the classes that you take with us can transfer to MUD's NYC and LA campuses. We are among the first beauty schools in the nation to have an app. We're the only school in Tennessee to offer a laser and paramedical esthetics program.

It's knowing that our instructors will provide you with a first-class educational experience from day one. From theory to hands-on experiences, you'll learn more than just the basics.

It's knowing that school isn't all work and no play. From our famous Halloween contest to photo shoots to monthly theme days, *we make learning fun.*

It's knowing that giving back is important. We love our community and enjoy being able to support some pretty amazing causes like Tennessee Suicide Prevention Network, American Cancer Society, Boys & Girls Clubs, and John Tartleton Home.

It's our experience that we've gained from training more than 20,000 graduates that we can pass along to you. We've worked hard to find the best and most effective ways to prepare our students for long-term success in the beauty industry.

It's knowing that not only have many of our graduates gone on to open their own salons and spas, but that all of the area schools have at least one TSB grad as an instructor.

It's knowing that all of our students aren't the same and finding ways to inspire and teach each of you to do your best.

It's knowing that you'll have time on the floor of our student salon, where you'll hone your cut and color skills under the supervision of our instructors. Practice makes perfect.

The TSB experience is all of this and more. We invite you to join the TSB family and create your own TSB experience.

Call (865) 588-7878 or email admissions@tennesseeschoolofbeauty.edu to schedule a tour of our campus or to learn more about our financial aid options. *Experience TSB.*

Before you choose this career or a school, here is some helpful information.

TSB's very own Bobbi Powell, whom you will meet when you come to visit, has one of the beauty industry's most successful podcasts, ***Beauty School Bobbi***. She interviews industry leaders and experts, both nationally and locally, and gets them to speak with current and future salon professionals, just like yourself. Before you decide on this career or choose a school we highly encourage you to listen to at least 3 of the podcasts in order to make the best and most informed decision possible.

After surveying current students and graduates, some of the most recommended podcasts for people considering entering into this profession are:

- **HairTok Influencers** (Bailey Lavender, Siiri Parks, & more)
- **Joseph Chase**
- **Choosing Beauty School Over Traditional College Series with Graduates and Parents**
- **Introduction to Tennessee School of Beauty with Adam and Stephen Brown**

There are many other great and inspiring interviews as well, but the ones above are some of the most helpful as you decide on your future. For a complete listing of all of Beauty School Bobbi's podcasts, please visit **beautyschoolbobbi.com**. To schedule a one-on-one tour with Bobbi please call her at (865) 588-7878, ext. 130 or email her at **bobbi@tennesseeschoolofbeauty.edu**.

The TSB Experience

It's all about partnerships. Mary, my wife and business partner, and I were Tennessee School of Beauty 'sweethearts'. TSB supported us as we grew in the industry. Since graduation we have opened our own salon and teach classes at the institute. As salon owners we have a high respect for TSB. Their grads have proven to be excellent recruits for our salon. Thank you TSB.

HOW LONG DOES THE PROGRAM LAST?

For cosmetology, it's just 10 short months (*for a full-time student*)! Compare that to a four year degree program. Just think, by this time next year you should have passed your boards and be **Working your passion!**

WHAT IS THE AVERAGE INCOME OF COSMETOLOGISTS?

A random survey of 22,500 salons across the U.S. showed that the average income is \$38,910* for licensed cosmetologists.

WHAT ARE THE ADMISSION REQUIREMENTS?

Applicant must have attained a high school diploma or General Education Development (GED) and be at least 16 years of age. In addition, you need to be friendly, creative, dependable, free of communicable diseases, and have a desire to succeed as a salon professional.

REGISTRATION

We recommend registering 2-4 weeks before desired class starting date.

WHAT ARE THE HOURS?

Our hours are Tuesday-Friday from 8:30 am - 4:30 pm for your first 9 weeks. Once you become a senior stylist, you will also attend every other Saturday from 8:30 am - 4:00 pm. Day classes can be completed in as little as 10 months.

DO YOU HAVE NIGHT SCHOOL?

Yes. Most night school graduates can expect to graduate in 18-19 months (cosmetology). Night school classes are offered on Tuesdays, Wednesdays, and Thursdays from 5:30 pm until 9:30 pm AND on Saturdays from 8:30 am until 4:00 pm. This is the perfect class schedule for those who are working in another field, stay-at-home moms, or night owls! The cost is the same as the day school. See the tuition section for pricing.

WHEN DO CLASSES START?

New Cosmetology classes will begin on the first Tuesday of each month except July. We limit the size of all classes, so get busy and register soon.**

*May 2022. <https://www.bls.gov/oes/current/oes395012.htm>

** Applicants who wish to apply for grants or loans are advised to make an appointment to come in for assistance at least four to six weeks in advance of planned starting date.

Tuition

HOW MUCH IS IT?

Tuition for the complete cosmetology course is \$17,995.

HOW CAN I PAY FOR IT?

You may pay in full with cash, check, Visa, MasterCard, or Discover. Also, we will be glad to set up a payment plan (see below). Grants and loans are available to those who qualify. To apply for grants, loans, and other financial assistance, refer to the Financial Assistance information for details.

Plan I: \$7995 down, \$175 weekly

Plan I includes an initial payment of \$7995 – this is due on the first day of class. To the remaining balance of \$10,000, we add a one time finance charge of 5% (\$500). The remaining balance of \$10,500 can be paid on a weekly basis of \$175 per week until the balance is paid in full.

Plan II: \$9995 down, \$700 monthly

Plan II includes an initial payment of \$9995 – this is due on the first day of class. To the remaining balance of \$8000, we add the one time finance charge of 5% (\$400). The remaining balance of \$8400 can be paid on a monthly basis of \$700 per month until the balance is paid in full.

ARE THERE ANY ADDITIONAL COSTS?

All students are required to purchase a training kit, which includes all of your textbooks, reference materials, printed training notes, and all of the cosmetology tools you will need. We offer this to all of our students at the discounted rate of \$1000. The kit includes hair shaping shears, blending shears, razor, curling iron, flat iron, hair dryer, mannequins, manicuring tools, and much, much more! The only other costs will be a \$99 technology fee and your uniform. All additional costs will need to be paid in full on the first day of class.

WHAT IS THE REFUND POLICY?

A student (or in case of a student under legal age in Tennessee, his/her parent or guardian) may cancel his/her enrollment, in writing, within three business days after an agreement/contract has been signed and all monies will be refunded. The cancellation date will be determined by the date on written notification, or the date on the information delivered to the school administrator/owner.

If a student cancels their enrollment after the three business days of signing

but prior to entering classes, they shall be entitled to a refund of all monies paid to the school.

If a student is not accepted by the school, all monies paid to the school will be refunded.

For students who enroll in and begin classes the following schedule of tuition adjustment is authorized:

Percentage of scheduled enrollment time to total time of course	Amount of total tuition school shall receive or retain
.01% to 4.9%	20%
5% to 9.9%	30%
10% to 14.9%	40%
15% to 24.9%	45%
25% to 49.9%	70%
50% or over	100%

Training equipment and personal supplies are listed as separate items. They become yours upon payment and are non-refundable.

For more information about this or any other topic listed above, visit **Tennesseeschoolofbeauty.edu** or better yet, call us at (865) 588-7878 to schedule a personal tour to *experience TSB.*

Financial Aid

DO YOU OFFER FINANCIAL ASSISTANCE?

Yes, because TSB is nationally accredited, students accepted for admission are eligible to apply for financial aid through programs established by the federal government under the Aid to Education Act. Some of these programs are listed below.

FEDERAL STUDENT AID (PELL GRANT)

Grants provide money to help students further their education and skills after high school. For many students, these grants provide a foundation of financial aid to which aid from other federal sources may be added. Unlike loans, grants do not have to be repaid. To apply for the grant, please visit www.studentaid.gov, create a personal pin number, and then go to www.fafsa.ed.gov. You may also apply here at TSB. If asked, our school code is 009567. This application is FREE....please do not apply at any sites that require a payment to process your FAFSA. Currently, the maximum Pell Grant award is \$7395. If you have questions, please call us and we will be happy to assist you.

FEDERAL STUDENT LOANS

Tennessee School of Beauty cosmetology and esthetics students may also apply for a Federal Student Loan (aka Direct Loan). This loan program is a loan that does not have to be paid back until 6 months after the student leaves school. The maximum loan for a student considered independent for financial aid purposes is currently \$9500 and \$5500 for a dependent student. To apply, please go to www.studentaid.gov and complete the Entrance Loan Counseling and then sign the Electronic Master Promissory Note (E-MPN). Please print these out and bring them to the school with you. As always, if you have any questions, please call us and we will be happy to assist you as this process can sometimes be a little overwhelming.

PRIVATE STUDENT LOANS

Due to our long history and outstanding success record, TSB is one of only a handful of cosmetology schools nationwide that has been approved by Sallie Mae to be part of their private loan program. This loan is available for all of our courses (Cosmetology, Esthetics, and Instructor Training). There are many similarities between the federal loan and the private loan, however, one of the main advantages of the private loan is that students may borrow their entire cost of training, plus up to 60% more than their cost of tuition in order to help with living expenses while they are in school. Visit them online at www.salliemae.com.

REHABILITATION SERVICE

This aid service may be available to applicants who have, or have had, a physical or emotional disability. For those who are eligible, it is possible that your full tuition could be paid, regardless of family finances. Where family financial ability justifies, all training costs, including a monthly maintenance grant, may be authorized by the agency.

VETERANS' BENEFITS

TSB has met the standards set forth by the Tennessee Higher Education Commission and the Veterans' Administration, and is now an eligible institution for Veterans' benefits. Eligible students should contact the VA office.

For more information about this or any other topic listed above, visit [Tennesseeschoolofbeauty.edu](https://tennesseeschoolofbeauty.edu) or better yet, call us at (865) 588-7878 to schedule a personal tour to *experience TSB*.

Transfer Students

Congratulations on deciding to take that next step to becoming a salon professional. Whether you are just starting your career search, have had cosmetology in high school, or have attended another cosmetology school, Tennessee School of Beauty | A Redken Premier School has a career path suited for you. *Tennessee School of Beauty (TSB) will be glad to accept ALL of your transfer hours.*

At TSB, we offer cutting edge classes in cosmetology and esthetics, as well as instructor training. We are also a **MUD Partner School**. Our MUD programs are transferrable to one of MUD's main campuses. Our graduates are always in high demand. Our job board is current and filled with numerous opportunities, listing salons that have called us within the last few weeks seeking TSB graduates. Plus, we are extremely proud of the fact that we have helped more than 1,500 TSB graduates open their own salon.

Listed below are the amount of hours you are transferring and the corresponding tuition rates:

001-299 hours*	\$17,995
300-399 hours*	\$16,995
400-499 hours*	\$15,995
500-599 hours*	\$14,995
600-699 hours*	\$13,995
700-750 hours*	\$12,995
751-1500 hours	\$25 per clock hour

* Will be considered a TSB Graduate and receive all TSB benefits. Updated 03/2025.

The TSB Experience

Tennessee School of Beauty graduates have always been very well prepared. Their excellent work performance is a direct result of the instructors' hard work and strong focus. We have hired many of their students and have long been impressed by their work ethics.

Pre, Intra, Post Treatment Procedures, Informed Consent, Charting, Documentation.

WHAT IS THE AVERAGE INCOME OF AN ESTHETICS GRADUATE?

The average income is \$37,154 for a full-service salon and \$40,126 for a specialized salon and this does not even include tips.

WHAT ARE THE ADMISSION REQUIREMENTS?

Applicant must have attained a high school diploma or General Education Development (GED) Certificate and be at least 16 years of age.

HOW LONG DOES THE PROGRAM LAST?

The 750 hour program will be offered Tuesday through Friday from 8:30-4:30 for your first 11 weeks. After 11 weeks, you will also attend every other Saturday from 8:30 a.m. to 4:00 p.m. The entire program can be completed in only 22 weeks.

DO YOU HAVE NIGHT SCHOOL?

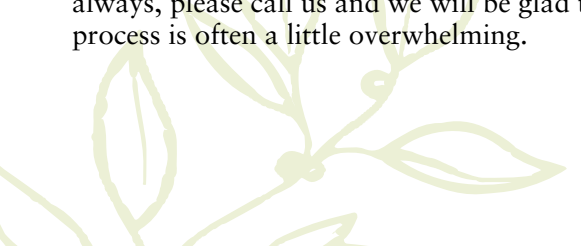

Based on demand, we try to offer an evening esthetics course one time per year (beginning in September). The schedule for the evening course is Tuesday - Thursday from 5:30 pm - 9:30 pm and Saturdays from 8:30 am - 4:00 pm. You can graduate in approximately 36 weeks. The tuition for the evening program is the same as for the daytime program. Please see the next page for details on pricing.

FEDERAL STUDENT AID (PELL GRANT)

Grants provide money to help students further their education and skills after high school. For many students, these grants provide a foundation of financial aid, to which aid from other federal sources may be added. Unlike loans, grants do not have to be repaid. To apply for the grant, please visit www.studentaid.gov, create a personal pin number, and then go to www.fafsa.ed.gov. You may also apply here at TSB. If asked, our school code is 009567. This application is FREE....please do not apply at any sites that require a payment to process your FAFSA. Currently, the maximum Pell Grant award for the esthetics program is \$5688. If you have questions, please call us at (865) 588-7878 and we will be happy to assist you.

LOANS

There are two types of loans available to those TSB esthetics students who qualify. One type of loan is the federal loan (aka Direct Loan). This is a low interest rate loan that does not have to be paid back until 6 months after the student leaves school. To apply, go to www.studentaid.gov, complete the Entrance Loan Counseling, complete the Electronic Master Promissory Note (E-MPN), print those out and bring them to the school. The other type of loan is a private student loan through the Sallie Mae Corporation. Although this loan is income and credit-based (co-signers are often needed), one of the main advantages of the private loan is that students may borrow the entire cost of their training, plus up to 60% more than their cost of tuition in order to help them with living expenses while they are in school. You may visit them online at www.salliemae.com. As always, please call us and we will be glad to assist you in any way as this process is often a little overwhelming.

WHEN DO CLASSES START?

New esthetics classes begin four times per year (January, April, July, and October). For specific starting dates, please refer to the cosmetology section. The esthetics program's starting dates are listed there. We limit class size to only 26 people and classes usually fill at least 2–3 months prior to starting date, so get busy and register soon.

Tuition

HOW MUCH IS IT?

The cost of tuition is \$15,495, plus an additional \$3500 for textbooks and supplies + \$99 technology fee.

You may pay in full by cash, check, Visa, Mastercard, or Discover. We will also be glad to set up a payment plan (see below). Grants and loans are available to those who qualify. To apply for grants, loans, and other financial assistance – see below for details.

BUDGET PLAN:

\$7495 is due on the first day of class, plus \$3500 for your textbooks and supplies for a total of \$10,995. A payment of \$1000 is due each month until the balance is paid in full. Please note books and supplies are a separate item and must be paid in full at least 30 days prior to start date.

WHAT IS THE REFUND POLICY?

For more information regarding our refund policy, please refer to the Tuition Information in our Cosmetology section.

The TSB Experience

I am currently employed with Premier Laser Spa of Knoxville, which is greatly attributed to Tennessee School of Beauty. My experience in the esthetics program at TSB was very enjoyable, educational, and motivational. The instructors and staff were very knowledgeable, informative, professional, and personable. They were instrumental in assisting me with the enrollment to further my education in the Laser and Paramedical program. Following my education at TSB, I have been successful in attaining the enjoyable and fulfilling career that I desired.

– Autumn Nease, TSB Esthetics Graduate

medical esthetics.

The TSB Experience

Dedicate your energy to your end goal and don't lose focus. I knew I wanted to work in medical aesthetics, and all it took was dedication to be the best I could be.

BEST PART YOUR TSB EXPERIENCE?

The opportunity to make connections and network within the aesthetics industry. School is your first opportunity to make yourself known in the community!

NAME A DEFINING LIFE MOMENT.

After graduating from college, I thought that was the end of my education. But choosing to go back to school for aesthetics, and reaching graduation was such an amazing experience. I got to see this dream come full-circle!

BEST ADVICE FOR SOMEONE WANTING TO BE AN ESTHETICIAN?

This is a career that requires a constant drive to learn more, stay educated on trends, and self-motivation. Your success truly relies on YOU!

BEST TSB MOMENT?

The paramedical course was outstanding; it gave me the knowledge and skills to jump into medical aesthetics so quickly after graduation.

BEST THING ABOUT TSB?

The educators are so dedicated to preparing the students to enter the workforce. I love how they are excited to share their knowledge and expertise with students.

More reasons to choose TSB - Continuing Education

Tennessee School of Beauty is proud to offer esthetics graduates an opportunity to further their careers with paramedical and laser training under the medical direction of Dr. Dwayne Lett, of the Lett Center, at Tennessee Advanced Skincare Academy (TASA).

Exclusively for TSB esthetics graduates who seek placement in physicians' offices, the opportunity to acquire additional medical esthetics training is available. TSB is proud to be the only school in the state of Tennessee to be able to offer their graduates this unique opportunity to gain this knowledge and enhance their marketability.

On the next few pages you will find some basic information. There's more information available, so never hesitate to make an appointment, give us a call at (865) 588-7878 or send us an email to admissions@tennesseeschoolofbeauty.edu.

Become a MUD Certified Make-Up Artist

MUD makes continuing your education easy and convenient.

Recognizing the need of working make-up artists and other industry professionals to be able to broaden and increase their knowledge, Make-Up Designory has created a series of part-time courses. These courses are held conveniently at MUD's main campuses, MUD Studios (we're soon to be the first MUD Studio in the US) and Partner Schools throughout the country and internationally.

MUD Studios courses are based on the same great educational methodology and teacher training that has helped to make MUD a bedrock in make-up education. The courses are pulled from the same curriculum that comprises the longer programs at MUD NYC and LA, but are broken up into smaller modules. These modules can be taken separately or combined, allowing the student to transfer their education to one of MUD's main campuses.

TSB is proud
to be MUD's
1st stand-alone,
satellite school
in the U.S.

Certifications

Make-Up Designory has courses and groups of courses to meet just about any need. Most of the classes below require Beauty Essentials as a prerequisite. All classes are also offered as continuing education for make-up professionals. We have developed our courses to build upon one another so that students will benefit from the combined materials and the progressive nature of the curriculum. Students are allowed to take any combination of classes they may deem necessary; however, we strongly urge students to speak with an Admissions Advisor to ensure the student is choosing classes that will help their career goals. We created a group of programs that illustrate possible combinations that are designed to provide comprehensive training in various aspects of make-up artistry. Students who complete Beauty Essentials will be certified as a Level I Make-up Artist. Students who complete Beauty Essentials, Airbrush, Bridal Make-up, Studio Make-up, and High Fashion Make-up Trends will receive the Level II Make-up Artist certification and become eligible to transfer to a main campus program having completed the equivalent of Beauty 101: Fundamentals of Beauty Make-up. However, this program is designed as a comprehensive program to meet the needs of students staying in the local market. Please note that some classes and programs may not be available at all locations. A Certificate and Card are awarded for successful completion of any course or group of courses.

Professional products with quality education

Each course kit requires specific tools for your class while helping to build your kit for professional use. Inside your kit, you will find MUD products and course materials. Each kit contains a unique serial number used to track your progress and ensures your appropriate certification.

Enrollment Process

In order to enroll in any Make-Up Designory (MUD) course of study, students must first complete a student application form. This must be submitted with payment of the application fee. Students in all courses must be at least 18 years of age or have parental consent.

For more information about this or any other topic listed above, visit Tennesseeschoolofbeauty.edu or better yet, call us at (865) 588-7878 to schedule a personal tour to *experience TSB.*

Take the TSB Challenge. We encourage you to choose the beauty school that's right for you.

Q. How long has the school been open?

A. TSB has been in business since 1930. Twelve other area beauty schools have opened and closed just within the last 15 years.

Q. What school did the instructors graduate from?

A. All of TSB's instructors graduated from TSB. Every other beauty school in the area has at least one TSB graduate TEACHING their students.*

Q. Do you get to meet personally with the owner of the school?

A. At TSB, you (and your family) will have the opportunity to sit down one-on-one with the owners of the school and they will be glad to answer any questions you might have. We feel that having an owner out of state is too impersonal and does not allow for problems to be solved immediately. It's imperative you get the chance to discuss with the owners any questions or concerns you might have as this is *your future* and they want to be sure they can back up everything you're being told. Because the owners are hands-on and at the school full-time, you can be assured you'll be given the personal attention you need whenever the need arises.

Q. How much is tuition?

A. TSB is able to keep our tuition at a reasonable rate because we do not pay franchise fees or fees to support product advertisements. We are only in the beauty school business. We believe you will find TSB to offer the best education at the most affordable price. For full pricing information, see the tuition section.

Q. What's the student-teacher ratio?

A. At TSB, we strive to keep the student-teacher ratio at 8-1 or better the entire time that you are in class. If we have larger classes, we are able to have more teachers in a class as we employ more teachers than any other area school.

Q. What is the school's State Board passing rate?

A. TSB has a 100% passing rate at the state board.

Q. What are the school's job placement rates and owner involvement?

A. TSB is proud of our 100% placement rate and was recently named by *Modern Salon Magazine* in the **top 3 of all cosmetology schools in the nation** in the area of job placement (that's the top 3 out of more than 2000 schools). The owners are happy to sit down with you and discuss various places of employment and job opportunities to help you find the perfect match.

Q. What product lines do you use in your classes?

A. At TSB, we use only the finest professional products both in our classes and in the student salon. As a Redken Premier School, we use the entire line of Redken products in our cosmetology program. In our esthetics program, we use Skinceuticals products, Glo-Minerals make-up, and Sanitas. We believe you will find that these product lines are also the ones used by the majority of top salons world-wide. In addition, all of the product companies mentioned above offer tremendous advanced educational programs for our students and graduates.

Q. How many TSB graduates have gone on to open their own salon?

A. More than 1,500 TSB graduates have gone on to open their own salon. In fact, most of the salons in East Tennessee are owned by TSB graduates, including almost all of the high-end salons.*

Q. How does your school handle transfer hours?

A. TSB will gladly accept all transfer hours accepted by the Tennessee State Board of Cosmetology.

Q. What does my \$99 technology fee cover?

A. Your technology fee covers your testing. With online testing, you are able to take tests on your schedule. Tests may be taken/retaken anywhere you have an internet connection.

We recommend you ask your salon professional where they graduated and about their beauty school experience.
